Learning
to Manage Transition in Your Life"**

**May 22 (Wednesday) - 7:15 - 8:30 PM
Msgr Cass Center**

The beginning of any human transition involves an ending of some sort. There follows a period which seems rather quiet, yet much is happening. Then the ending of every transition is always a new beginning. This video offers insights into each part of this journey. The nature photography illustrates the message that what is happening is as natural as the changing of seasons. Join Sr. Diane for this dvd and conversation.

Our Creator God breathed over the waters at the dawn of creation and brought forth all living beings.

Our Risen Lord breathed over the apostles on Easter night and brought forth new life.

Let us gather in prayer to renew the unity of God's Breath and our life.

On June 9 the Church celebrates Pentecost, the outpouring of the Holy Spirit. All are welcome to this time of prayer and inspiration. A special invitation is offered to our parish volunteers who share the gifts of the Spirit in all the ways you build up the Body of Christ here at St. Ignatius Martyr. You are invited to this prayer on Thursday, **June 6 at 7:30 PM** to pray for our parish, to support one another, to ask the Holy Spirit to renew the gifts of our Baptism and Confirmation!

Pat Leonard will be our GUEST SPEAKER. Pat, an educator for more than 40 years, currently teaches college theology at St. John's University and St. Joseph's College. As a pastoral theologian, Pat serves the Church through facilitating adult faith formation and leading spiritual retreats.
